

2011-12 COMMUNITY IMPACT PARTNERS

Inland Empire United Way aims to positively impact the lives of children and families in need by addressing short-term basic needs and investing in the futures of at-risk children and their families. Our work is focused in the areas of **EDUCATION, FINANCIAL STABILITY** and **HEALTH**. Together, IEUW and its Community Impact Partners provide programs that accomplish the following outcomes:

1. Low-income children are doing better in school.
2. Low-income families are more self-sufficient.
3. Low-income youth are better prepared for future self-sufficiency.
4. Low-income children are healthier.
