

# GIVE A LITTLE. GIVE A LOT.

## HELP GIVE KIDS WHAT THEY NEED TO SUCCEED!

---

### SCHOOL TOOLS

- 63% of kids in San Bernardino County public schools are enrolled in the free & reduced meal program. If these families can't afford lunch, they probably can't afford school supplies.
- Inland Empire United Way's School Tools program provides NEW supplies—throughout the school year—to low-income students and classrooms who need them.
- With your help, we distributed nearly \$2 million worth of school supplies to our community last year!
