

# School Tools Supply Drive

How to host a great supply drive!

With more than half of the children in the area who cannot afford school lunch, it is also likely their families cannot afford school supplies. The School Tools program helps meet this need by providing disadvantaged children with the tools they need to engage in school, learn and succeed!

We need your help to supply kids with the “write” stuff!

Host a School Tools Supply Drive in just 3 easy steps:

## 1. Register

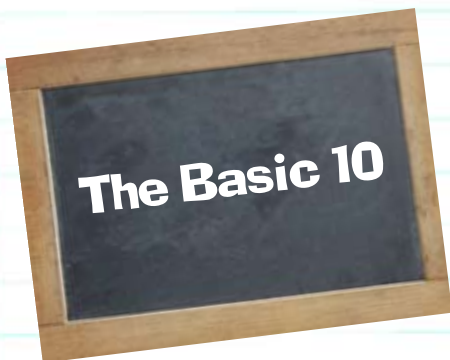

Complete and submit the Host Registration Form

## 2. Promote

Spread the word! It’s easy! Use the School Tools Supply Drive promotional materials available online

## 3. Tally

Host a Tally Party to count, celebrate and bring your Supply Drive to a close!

- |                              |                     |
|------------------------------|---------------------|
| 1. Pencils                   | 6. Spiral Notebooks |
